Cleaning Services (Cont)

We offer multiple cleaning service tailored to suit your specific individual business needs

Sanitization

Our **Sanitization Service** uses hospital-grade disinfectants to eliminate bacteria, viruses, and other harmful pathogens. This service is crucial for reducing the spread of illness, particularly in high-touch areas like doorknobs, switches and communal areas.

Antimicrobial

Our **Anti-Microbial Service** is offered for those needing extra protection. We offer treatments that provide a long-lasting antimicrobial barrier on surfaces. This will help to prevent the growth of bacteria and mold.

Add-Ons

If our other services don't fully meet your requirements, we offer a range of **add-ons** or custom services to ensure your business is thoroughly cleaned, sanitized, and immaculate.

General Cleaning Services

Daily

Daily Cleaning is ideal for maintaining an impeccable working environment. This service is highly recommended for high-traffic workplaces or environments prone to dust, germs, and bacteria buildup. It ensures a consistently clean and sanitized space.

- Trash removal
- Spot cleaning
- Bathroom sanitization
- Vacuuming

Weekly

Weekly Cleaning offers comprehensive cleaning for businesses that need regular upkeep but do not require daily services. This package is best suited for medium-traffic areas or offices, ensuring a fresh and tidy environment throughout the week.

- Carpet Deodorizer
- Dusting Hard-to-reach spaces
- Detailed kitchen and bathroom sanitization

Monthly

Monthly Cleaning is designed for spaces that require less frequent maintenance while still needing a thorough and professional cleaning. Ideal for low-traffic areas, this service provides a deep clean to maintain the overall appearance and hygiene of your workplace.

- High dusting
- Carpet steam cleaning or shampooing
- Window Cleaning (Inside Windows)

Deep Cleaning

Our deep cleaning service includes a thorough cleaning of your workspace environment including everything from the general cleaning as well as other items to ensure a thorough spotless clean:

- Dusting harder to reach areas (ceiling fans, light fixtures)
 - Vent cleaning and air filter change
 - Behind and underneath furniture
 - Carpet Cleaning & Deodorizer
 - Thorough kitchen cleaning
 - Deeper Restroom Cleaning: Scrubbing grout, cleaning behind toilets, and sanitizing less commonly touched areas.
 - Window sill and tracks
 - Light switches, control panels, door handles, and thermostats
-

Specialized Cleaning

Our Specialized Cleaning Services cater to unique situations that require specific expertise and attention to detail. Whether it's preparing for an event or cleaning up after a move-out, we have the tools and experience to handle it all such as:

- Event Setup and breakdown
 - Event Cleaning
 - Move-Out Cleaning
 - Green Cleaning
